Roofing Contractor

Quotation

35/36 Kimmeridge close, Nythe

This is my price for a complete re-roof using a 3 layer system of which is a bitumen product. Also this roof may need new ply board but i will split it down into two costs as it may be ok.

A skip with a shoot will be provided for deteriorated roofing materials.

To supply tubular scaffolding for safe access to the roof, this scaffold will be secure after each day of work.

To strip coping slabs at each end of roof and put aside for re-use at the end of the job, stripping of all deteriorated flat roofing membrane and put in skip provided.

To supply & fix a 3 layer system which will be 3b base layer partially bonded 2: 180 polyester underlay fully bonded & sbs mineral cap sheet finish with drip formers and up stand details to soil/vent pipes & roof light.

Lead cover flashings on parapet walls, then dpc will be laid over the top ready to fit coping slabs.

This will product will come with a 10yr guarantee.

Total cost £13.600.00

If boarding is needed then supply & fix is

Total cost £1800.00

Best Regards

Luke Quince
